Advanced Level 2-

Cornering and Braking Course

HIDDEN VALLEY RACEWAY DARWIN NT

Sunday 15th Nov 2009- \$380.00

Having trouble with corners?

Getting a fright too often? Running wide on the exit? Braking too late - too early? Not seeing far enough ahead? Or just not feeling comfortable and consistent... We can help.....

There are many motorcyclists who make their riding less pleasurable by not having a plan for cornering - let us help you discover that corners can become both safer and more enjoyable.

Practise the skills of Cornering and Braking in a controlled environment at your own pace while receiving demonstrations and one on one coaching.

- ◆ *Professional Instructors with many years experience*
- ◆ *We explain, demonstrate and then evaluate*
- ◆ *Designed to cater for all levels of experience*
- ◆ *Develop your skills at your own pace*
- ◆ *Lunch included*
- ◆ *Quality Assured by Australia's Premier Rider Training Company*
- ◆ *Develop a systematic approach to cornering and enjoy the difference!*

***Note: You must hold a current Motorcycle Licence
and be licensed to ride the bike you are using***
