

"Manage the Road"

Prepare yourself for the road:

- A four hour course predominately run on the road.
- We help you build confidence by developing a plan for the road.
- Be better prepared for your Provisional Course/Assessment
- Feel more confident
- Practise in a safe environment

We will work on:

- Vision
- Moving off
- Lane positioning
- Merging
- Roundabouts
- Identifying hazards
- Decision making

\$150 per person

Numbers are strictly limited - bookings essential
