

## Manage the Road - NSW

Come on the road with Stay Upright, put your skills into practice on the road. We discuss and demonstrate the techniques for successfully dealing with hazards on the road. We observe your riding and give you personal feedback and coaching.

### Prepare yourself for the road:

- A four hour course on the road
- We help you build confidence by developing a plan for the road
- Small Groups
- Personal feedback

### We will work on:

- Vision
- Moving off
- Lane position
- Merging
- Roundabouts
- Identify hazards
- Decision making
