Road Skills Refresher Course

8.30am-4.30pm

Want to improve your road riding skills and feel more confident when riding on the highway or in traffic? Learn and practice the most effective low risk road riding techniques with Australia's foremost rider training company.

Topics covered include-

- Effective rider thinking styles and decision making to reduce risk
- Braking techniques
- Safe cornering skills
- Lane positioning
- Plus other low risk riding strategies
- As well as 4 hours on road training with a qualified Instructor

This one day course is available through all Stay Upright training centres (subject to minimum number of 5 persons per course).

An opportunity not to be missed by all Tasmanian Road Riders.

Cost: \$50.00 per person - limited places available.

Register now by phoning 1300 366 640.

Check the [Stay Upright Course Calendar](#) for upcoming course dates in your area.
